Good Morning,

Please see the attached comments that have been added to the label for EPA Reg. No. 87895-T. The subject line references 87895-4, but since the comments would be identical, we are requesting you apply the comments made in 87895-T to the appropriate sections in the supplemental label for 87895-4.

Please do not hesitate to contact us if you have any questions.
